ITINERARY

This itinerary is designed exclusively with your travelers in mind. All aspects can be tailored until it perfectly fits your needs.

DAY 1

Arrive Jackson Hole, Wyoming. Meet & Greet and private transfer on arrival. Enjoy dinner and an orientation with your photography guide tonight.

Overnight: Luxury, private home rental or Huff House Inn (Luxury inn) or Spring Creek Ranch (Luxury ranch) or similar

Meals: Dinner

DAY 2

This morning head out with your guide before dawn to one of the iconic view points to capture stunning images of the sunrise over the Tetons. Spend the day in Grand Teton National Park. With the knowledge of an experienced guide, you will get to the right places at the right times and will have the time to focus on getting the shots you want.

Overnight: Luxury home rental or selected hotel accommodations

Meals: Breakfast, Lunch

DAY 3

This morning embark on an early morning float by vintage, wooden drift boat on the Snake River. Keep an eye out for eagles en route. Arrive at the Tipi Camp, an exclusive, pristine riverside setting, for a delicious breakfast and great photo opportunities of the forest and the stunning scenery around camp. Option to have a local, professional photo journalist join you today. This evening, head out into the night for an Astrophotography program to capture the brilliant starry sky.

Overnight: Luxury home rental or selected hotel accommodations

Meals: Breakfast, Lunch

DAY 4

Another early start this morning to catch the best light. Today, journey above the mountains on a scenic flight by small plane, with windows that open for crystal clear shots over the Tetons and Jackson Hole. Or opt for a sunrise hot air balloon ride with stunning views in all directions. This afternoon is at leisure for you to explore town, possibly visiting some of the impressive local photography galleries. Late afternoon, head out for golden hour photography before the sun sets over the valley and enjoy sundowners. Return to town to enjoy dinner with your guide.

Overnight: Luxury home rental or selected accommodations
Meals: Breakfast, Dinner

DAY 5

Depending on flight times, get out for one last early morning of photography before heading to the airport for your flight home.

Meals: Breakfast

NOTES

Photography trips can be tailored for expert and novice photographers alike. All photography trips will be led by experienced photography guides. Photography trips can also be extended to include time spent in Yellowstone National Park to photograph landscapes, wildlife and geothermal features. To include Yellowstone and have adequate time for photography, it is recommended to spend at least 3 nights staying in/around the Northern Range of Yellowstone. Winter photography trips can also be arranged to capture the beauty of the landscape under a blanket of snow as well as stunning winter wildlife imagery.
